FRONTIER DAYS
JULY 24 & 25

volunteers NEEDED

Frontier Days 2020 is moving forward. Not all events will be happening and we are advising that everyone serve their community by social distancing, washing hands and staying home if they are feeling unwell or have been around anyone who is feeling unwell. Please do your part to help our community pull off a successful event in the "new normal".

We will also need additional volunteers to help us comply with Health Board guidelines. One of the biggest challenges we will face is limiting lines. Additional volunteers at events will help us distribute materials and push people through without lines forming. Please consider signing up to help at one or two events. 2-4 hours of your time will go such a long way in helping serve and protect our community! (406) 287-2260 . whitehallmt-chamber@gmail.com, or look for the volunteer post on our FB page!

This Week's Horoscope

ARIES – Mar 21/Apr 20
Aries, there is a lot you want to say to someone special, but for some reason the words get stuck on your tongue. You may need a little more time to formulate your thoughts.

TAURUS – Apr 21/May 21
The adage "look before you leap" is never more pertinent for you, Taurus. Weigh all of your decisions carefully before you start any new projects this week.

GEMINI – May 22/Jun 21
Try to keep the peace with other people this week, Gemini. Lead by example rather than telling others what to do. This approach will be more warmly received by others.

CANCER – Jun 22/Jul 22
You may want to look up old friends who you haven't seen for a while, Cancer. You may be feeling sentimental or sociable and a simple text or phone call can be effective.

LEO – Jul 23/Aug 23
You like to have the final say in all matters, Leo. But there is a fine line between taking charge and being a control freak. Let others' reactions help you fine tune your delivery.

VIRGO – Aug 24/Sept 22
You will be able to get to the root of problem this week if you put in some serious effort, Virgo. It may involve receiving and analyzing feedback from many different people.

LIBRA – Sept 23/Oct 23
This week's overall outlook is positive for you, Libra. However, you may have to work a little bit for that positivity. The attitude you present is what you will get in return.

SCORPIO – Oct 24/Nov 22
Scorpio, embrace your creative side rather than your analytical side. Employ your creativity this week and you may be surprised at the results.

SAGITTARIUS – Nov 23/Dec 21
You may have to rethink certain principles that you have adhered to for years, Sagittarius. After some reflection, you may realize life has changed and you must adjust.

CAPRICORN – Dec 22/Jan 20
It may not be easy to get things done this week, Capricorn. You might find it challenging to muster up the energy to be effective. If so, look to others for motivation.

AQUARIUS – Jan 21/Feb 18
Aquarius, lately you have been challenged to assert yourself in many different ways. You tend to thrive in a leadership role, but don't let the stress get the best of you.

PISCES – Feb 19/Mar 20
Many things come to you naturally. Examine your strengths and figure out how to be as productive as possible in the days ahead.
