## This Week's Horoscope

**ARIES – Mar 21/Apr 20**  
If you want to get out and see the sights, you have to plan an excursion, Aries. Start planning a vacation and don't forget to invite a pal along for the trip.  
**TAURUS – Apr 21/May 21**  
Do not be quick to accept the word "no," Taurus. If you are seeking a promotion, it may take another round of negotiations to sell your position to a supervisor.  
**GEMINI – May 22/Jun 21**  
Gemini, some things are at play and you may need to gather some facts. Don't try to piece things together, but rather start at the beginning and get a comprehensive view.  
**CANCER – Jun 22/Jul 22**  
You have to hunker down and work through tasks that hold little interest for you, Cancer. Success comes from tending to all of the details, even those that are less interesting.  
**LEO – Jul 23/Aug 23**  
Plenty of opportunities to make big changes are on the horizon, Leo. You need to figure out what it is you want to do with yourself and where to make change.  
**VIRGO – Aug 24/Sept 22**  
Virgo, sit quietly aside and let others talk while you listen. Listening can be a great way to learn about others as well as yourself. Use this time wisely.  
**LIBRA – Sept 23/Oct 23**  
Libra, indecisiveness may cost you in the days ahead. Try to come to a decision on an important situation so you can begin moving forward once again.  
**SCORPIO – Oct 24/Nov 22**  
Sometimes you don't see the purpose behind certain actions, Scorpio. Don't hesitate to ask questions to clear things up. Forge ahead and things will become clearer.  
**SAGITTARIUS – Nov 23/Dec 21**  
Sooner or later, if you try different things you are bound to stumble on the right course of action, Sagittarius. It just may take longer than you initially expected.  
**CAPRICORN – Dec 22/Jan 20**  
Don't worry if you cannot get your act together just yet, Capricorn. You will find your groove soon enough and every-

thing will ultimately fall in place.  
**AQUARIUS – Jan 21/Feb 18**  
Some things can't be avoided forever, Aquarius. If you feel like you are running away from problems or things you don't like, you may need to confront them.  
**PISCES – Feb 19/Mar 20**  
Funny things happen when you least expect them, Pisces. Just when you may have thought a situation was dire, some fun will change your opinion.
