This Week's Horoscope

ARIES – Mar 21/Apr 20
Remember to be careful what you say about others, Aries. If you're talking about someone who isn't in the vicinity, act as if he or she is there so you always remain respectful.
TAURUS – Apr 21/May 21
You might need some time alone this week to get yourself centered, Taurus. This is especially true if you have been running yourself ragged and are feeling stressed out.
GEMINI – May 22/Jun 21
Gemini, do not try to fit into some mold that doesn't represent who you truly are. There's only one person you need to please, and that is yourself.
CANCER – Jun 22/Jul 22
Issues around you may be a bit heavy, Cancer. Your role is to lighten up the situation with humor and amusement. Your powers of adaptability will be put to the test.
LEO – Jul 23/Aug 23
Leo, if one door will not open for you, don't force it. Simply try another door. Accept that some things are not meant to be and it is time to move on.
VIRGO – Aug 24/Sept 22
Virgo, your approach to things may get some push back from others. Don't let that stop you from being independent and forging your own path.
LIBRA – Sept 23/Oct 23
Libra, the old ways of doing things may butt heads with the new, leaving you scratching your head. Go with your gut instinct on this situation this week.
SCORPIO – Oct 24/Nov 22
Unexpected events can shuffle things when you least expect it, Scorpio. Don't be discouraged; learn how to go with the flow and you can come out on top.
SAGITTARIUS – Nov 23/Dec 21
Sagittarius, your confidence may wane a bit this week. All you need is a pep talk from someone to get you out of a funk. Listen to what this person has to say.
CAPRICORN – Dec 22/Jan 20
Aiming for the latest and greatest may not be the best idea, Capricorn. Material possessions bring you entertainment, but strive

for other, more grounding goals.
AQUARIUS – Jan 21/Feb 18
Make sure you are nourishing your whole self in the days to come, Aquarius. This means being in tune with physical and mental well-being.
PISCES – Feb 19/Mar 20
A nervous restlessness may urge you to act this week, Pisces. You could be excited about something that you just can't pinpoint right now.
