This Week's Horoscope

ARIES – Mar 21/Apr 20

Aries, things that may have confounded you in the past will be much clearer this week. Someone comes into your life and will explain what you need to know.

TAURUS – Apr 21/May 21

Conversations with friends the next few days prove to be a great mood-lifter, Taurus. Things in your life will continue in a positive direction for some time afterwards.

GEMINI – May 22/Jun 21

Gemini, even though work life and home life are separate, there are some instances when they might overlap. Use this time wisely to build deep relationships.

CANCER – Jun 22/Jul 22

You have a trustworthy circle of friends, Cancer. If the going gets a little tricky this week, call upon the people who just can't wait to support you.

LEO – Jul 23/Aug 23

Let supervisors know just how much you have been contributing at work and how it has been beneficial to their bottom line. This can be the doorway to a pay increase, Leo.

VIRGO – Aug 24/Sept 22

Virgo, do not feel like you have to change much about yourself to fit the mold others have created. It is okay to be unique and be proud of your differences.

LIBRA – Sept 23/Oct 23

You are naturally trusting of others, Libra. But keep a small amount of skepticism going so that no one takes advantage of you. Once you vet friends, keep them close.

SCORPIO – Oct 24/Nov 22

Spending too much time worrying about what others are doing or what they think of you is not productive, Scorpio. Focus on what makes you happy and don't worry about others.

SAGITTARIUS – Nov 23/Dec 21

You may have taken on too much, Sagittarius, and now you think you can't get it all accomplished. It may take a few long nights, but your initial goal is still attainable.

CAPRICORN – Dec 22/Jan 20

It is okay to seek perfection, Capricorn, but not when others are helping out. Be grateful of all they have to offer, even if you may need to fix
