Cancer, when you are in charge of a situation, you have to keep in mind others' feelings before offering a critique. Take a moment before you give commentary.

LEO – Jul 23/Aug 23

Try to keep your emotions in check this week, Leo. This is not the time to let your feelings seep into a work environment. You have to remain focused and firm.

Capricorn, something keeps pulling your focus away from the task at hand. This may be the universe telling you that this project

needs to be delayed for a bit.

AQUARIUS – Jan 21/Feb 18

Don't stress about making hard decisions or commitments, Aquarius. You already have the next few months planned out, as you like to be two steps ahead all the time.

PISCES – Feb 19/Mar 20
